Washingtonville Residents and Businesses

In the Village's continued efforts to revitalize our downtown, the Village will continue to solicit feedback on potential projects and improvements for the downtown spaces. Feedback will be incorporated into our application(s) submitted to the New York Department of State's New York Forward grant program for review. As discussed at previous meetings of the Board of Trustees, we hope to see continued improvements in our Village! If you have thoughts or feedback on the Downtown Improvement project(s), please be sure to share with us. My email is below.

Thank You

Tom
